Introduction to the  
***Educational Outreach Program***  
for the “Monument to Enduring Freedom”  
January 2019

## Our Mission

Our mission is to employ every means possible through our educational materials so that all freedom-loving people will draw closer in understanding, love, and commitment to this great land we call America. A revival of understanding and a recommitment of action will be the end result.

We will provide engaging learning materials and experiences that will inspire current and future generations of America’s youth to rediscover, embrace, understand, respect, and advocate for the miracle of America’s founding, and its role as defender of liberty and freedom in the world.

America’s Founding Fathers, as well as otherwise individuals, knew all too well that without our individual freedoms to live, to labor, and to apply our unalienable rights, in time they would devolve into mere words on a page. We are dedicated to teaching the truth in history and civics, inspiring patriotism, motivating youth to understand and uphold their rights and obligations of citizenship, and instilling reverence for the divine.

We take to heart these wise admonitions:

*“Freedom is never more than one generation away from extinction.  
We didn’t pass it to our children in the bloodstream.  
It must be fought for, protected, and handed on for them to do the same.”*

**Ronald Reagan**

*“Everything that is really great and inspiring is created  
by the individual who can labor in freedom.”*

**Albert Einstein**

*“Those who expect to reap the blessings of freedom, must, like men,  
undergo the fatigues of supporting it.”*

**Thomas Paine**

## Executive Summary

The Educational Outreach Program of the Monument to Enduring Freedom (*aka: "America's Megaphone for Freedom"*) will solidify the principles of liberty and freedom in the hearts and minds of our citizens – young and old.

It takes a "*Megaphone for Freedom*" to bring attention to the crossroads we stand at today. The '*Statue of Liberty*' and the soon-to-be-built '*Monument to Enduring Freedom*' will do just that! As current and future generations view these two mighty monuments, they will know what they stand for, what they emulate, and what they remind each of us to do in order to secure "*life, liberty and the pursuit of happiness*" for all.

America's two great patriotic monuments; '*Lady Liberty*' and '*Brother Freedom*', as they stand on our east and west coasts, will remind us all that our founding principles of Liberty and Freedom are the unmovable foundation blocks that our country is firmly built upon.

### **Resources – Inspirational Quotes**

- “An educated citizenry is a vital requisite for our survival as a free people.” Thomas Jefferson
- TO BE AN AMERICAN... I do not choose to be a commoner; it is my right to be

- uncommon. I seek the opportunity to develop whatever talents God gave me. I seek not for security. I do not wish to be a kept citizen, humbled and dulled by the state that looks after me. I want to take the calculated risk; to dream and to build, to fail and to succeed. I refuse to barter incentive for a dole; I prefer the challenges of life to the guaranteed existence; the thrill of fulfillment to the stale calm of utopia. I will not trade freedom for bondage nor my dignity for a handout. I will not cower before any earthly master nor bend to any threat. It is my heritage to stand erect, proud and unafraid; to think and act for myself, to enjoy the benefits of my creations, and to face the world boldly and say: “this, with God’s help, I have done!” All this is what it means to be an AMERICAN...

- “We should appreciate what we have...instead of worrying about what we haven’t... and enjoy what is, before it isn’t!”  
Tom Wilson in Ziggy
- SLOW ME DOWN - “Slow me down, Lord. Ease the pounding of my heart by the quieting of my mind. Steady My hurried pace with a vision of the eternal reach of time. Give me, amid the confusion of the day, the calmness of the ever-lasting hills. Break the tension of my nerves and muscles with the soothing music of the singing streams that live in my memory. Help me to know the magical, restoring power of sleep. Teach me the art of taking minute vacations – slowing down to look at a flower, to chat with a friend, to pat a dog, to read a few lines from a good book. Slow me down, Lord. Inspire me to sink my roots deep into the soil of life’s enduring values that I may grow toward the stars of my greater destiny... Anon

- Public relations. Do we seek out exposure to our Educational Outreach Program materials via radio talk show hosts, ads in The Epoch Times newspaper, social media outlets, podcasts, etc.?
- Other
